It is with great pleasure that I welcome you to the 2011 Twelfth Annual Bonnie Brae Polo Classic.

Since 1916, Bonnie Brae has helped at-risk adolescent boys overcome their difficulties and build promising futures. Helping our youth provides them with opportunities to become good citizens and become productive members of their communities.

As you enjoy Fieldview Farm and all the excitement and activities offered today, please keep in mind the Mission Statement of Bonnie Brae: *"A haven where young men reclaim their potential through education and therapy."*

Franklin Township is honored and proud to assist the Polo Classic, and those who support Bonnie Brae by raising funds and increasing awareness. Best wishes for an enjoyable and memorable event.

Sincerely,
